

Frilandsmuseet, Open Air Museum (Kongevejen 100, 2800 Kongens Lyngby) is one of the largest and oldest in the world. Spread across 86 acres of land, today the museum houses more than 50 farms, mills and houses from the period 1650-1950. Virtually every region in Denmark and the Faeroe Islands, as well as the former Danish provinces of southern Sweden and northern Germany, is represented in such a way at the Open Air Museum that you can travel the length and breadth of Denmark in a single afternoon.
